

WorkForce Enterprise

WF-M20590D4TW

Ideal for high-volume environments such as logistics, this 100ppm departmental A3 mono device delivers reliable results for continuous print runs.

Print high-quality black and white documents at superfast 100ppm speeds with this reliable and environmentally-friendly departmental A3 business MFP that is ideal for high-volume specialist environments, such as logistics and central reprographics departments.

High speed and reliability

Enjoy consistently superb image quality at 600 x 2400dpi and print speeds up to 100 images per minute in simplex and duplex. Additionally, it has a fast 60ipm simplex/110ipm duplex ADF scan speed. Its simple print process, with fewer moving parts than a laser, delivers high reliability, and the clever paper feed mechanism minimises paper jams, double feeds and no feeds – even at high speeds.

Reduces environmental impact

Use up to 82% less energy compared to lasers¹. With reduced waste and a simple working mechanism, it reduces the environmental impact of print by providing a low-power solution with fewer supplies required. Benefit from a high paper capacity of 5,350 sheets², and print up to 120K pages in black without replenishing ink³.

Quality without compromise

The combination of Epson's PrecisionCore linehead inkjet technology, water-based pigment inks and efficient paper transport mechanism gives you a printer that delivers consistently. Print on a wide range of media including recycled paper, envelopes and labels.

Advanced integration

From remote management to accounting and pull printing solutions, a wide range of software solutions can be integrated into your existing IT infrastructure to improve productivity and increase efficiency. Epson Open Platform delivers compatibility with leading ISV solutions.

DATASHEET / BROCHURE

KEY FEATURES

- **Radically fast mono printing**
Up to 100ppm plus high-speed dual scan
- **High reliability**
Simple mechanism for environments where downtime is not an option
- **High capacity**
Print up to 120k³ black pages without replenishing ink
- **Cut environmental impact**
Use up to 82% less energy compared to lasers¹
- **Built for business**
Take advantage of a wide range of software solutions

SUPPLIES

● WorkForce Enterprise WF-M20590 Black Ink	C13T04Q100	60,000 pages
● Maintenance box	C13T671300	
● WFE Paper Feed Roller for Cassette	C12C935961	

OPTIONAL ACCESSORIES

- Cassette Lock
C12C933231

LOGISTICS INFORMATION

SKU	C11CJ03401BY
EAN code	8715946669717
Country of Origin	Indonesia
